Pestilence

Late January

Pond

Alas, all the fishes are dead.

You can spend one uninteruptible minute exploring its bottom for items. At the end of the minute, take one item from the pond and lose 1 CR for 10 minutes due to the cold. You cannot explore the pond again until this penalty expires.

Pond cannot be explored by the infected.

You may also throw items into the pond, instantly and without CR penalty.

Please do not remove this until Later January.
